President's Corner by Barbara Stratton

In the Rotary Moment segment at last week's meeting, Tom Wilson shared his lifelong history of service to his community. Tom creates community and adopts the community he lives in, no matter where in the world that is. He has not always served his community as a Rotarian, but we are fortunate to have Tom in our Rotary club, creating community and living out his purpose of "Service to Community" right here in Westminster.

That's what I love about our club - we create community in order to serve our community. Look at the way we do our Peach fundraiser! From the very beginning, almost 15 years ago, when Lynn and Karen Hoffman brought the idea to the cub, the distribution was a community event: first, at their home, then growing into a full-scale potluck picnic at Carroll Butts Park! Today, under the leadership of Caitlin and Daniel, we create community by bringing together other non-profit partners and inviting our peach customers to join us in the park for a full afternoon of fun, food and fellowship! People from the park neighborhood stop in to buy and learn about Rotary and other service organizations

like Food for Hope. It's a community event!

I know for a fact that many, many Rotary clubs and other organizations sell mouth-watering, scrumptious, Colorado Western Slope peaches in order to raise funds to serve their community. However, no one else has as much fun doing it as the Westminster 7:10 Rotary! Our non-profit partners and our customers become the community, equipping us with the funds and resources to serve our community! When you're a Westminster 7:10 Rotarian, that's just how you do it!

Our 7:10 Family of Rotary Member—Jerry Rohlfs

Please give Jerry a welcoming handshake this morning. Jerry has been active in Rotary since 1981. He joined the 7:10 club in August of 2013 and brings a plethora of gifts that will certainly make our club a better one. Jerry was born right here in Denver and attended Littleton High School. He continued his education with various real estate classes and is now doing consulting for Property-Pros.com. Jerry is married to Aigul and they have four children, Don, Jacob, Sanjar, and Arsian.

Jerry has been very active in Rotary, holding the offices of Club president, secretary treasurer and Youth Exchange organizer. He even led a GSE (Group Study Exchange) group in 2008. He successfully managed two 7:10 Rotary Roasts. Jerry has many interests. He loves sports, theater and music. Having children was his greatest accomplishment. Jerry also speaks a bit of Russian and German. His favorite musical artist is Nat King Cole and Wind Beneath My Wings is a favorite song. He loves to vacation in Hawaii and drive the 380SL automobile. Ronald Regan and Bob Briggs are his favorite politicians. "Truth" is Jerry's motto. He loves to cook, but hates to clean. We're grateful you're a part of the Westminster 7:10 Rotary Club and in our Family of Rotary.

BE HAPPY

I decided to change calling my bathroom "the John" and renamed it "the Jim."
I feel so much better saying I went to the Jim this morning.

The 7:10 Craft Beer Fest is on its Way!

Why do we Fund Raise? WE RAISE MONEY to support the good works our club does in the local and international communities we serve. Without the funds raised from our events, we would not be able to support **C4K, RYLA & Young RYLA, Dictionaries** to all Westminster 3rd Graders, High School and College **Scholarships, Imagination Library, Thanksgiving Basket** distributions, **International water projects, Shelter Box**, and other local projects.

Adrian and his team of experts are working together right now to formalize and complete plans.

We are planning to sell 250 tickets. There will also be 50 complimentary tickets given for a total of 300 for the event. Ticket are on sale right now at our website. At last year's **Craft Beer Fest** our net income was \$2,630. If we work hard and reach our goal of 250 guests this year, we would generate the additional

\$5,030. Can we get to the 250 ticket goal for the **Craft Beer Fest**? We don't know until we try! So, let's all put in the effort to make this happen. Hopefully, these numbers

will drive home the importance of making a concerted effort now to sell tickets right up to September 6th. We need to let people know about our **Craft Beer Fest**, and ask them to register.

If each of us either found four people to register, or bought four tickets and invited some friends, we would hit our goal. We all need to be involved in this and in all our fundraising efforts, which benefit the Westminster 7:10

Rotary Club and the communities we serve. Thanks for your support. We CAN make this happen! Make your reservations at: www.westminster710rotary.org

Why I'm A Rotarian

I believe that my father knew about the terminality of his illness during six months between the time of diagnosis and his death. He told my sister, during one of their conversations, that he had had a good life. And it was during that conversation that I completed my journey and I became a Rotarian. For if a 74 year old man who by his own admission had lived a good life, had lived to see his children's children, and was able to see the end of his life as a beginning, could be so moved by Rotary service, then how must families and children around the world feel when they get the help they need, because of what we Rotarians do.

What Paul Harris Wrote

"With thoughts and deeds no more pretentious than [previously] related, the life of a

Paul's "Rotary Room" at Comely Bank

movement, which was destined to circumnavigate the globe with incredible speed and make itself at home in all civilized nations, had its beginning. Some of the early members even now in this day of wondrous achievement and bright promise still hark back to the delightful intimacy of friendship which was at its best in the dear old days."

Potatoes.....

Well,
A Girl Potato and Boy Potato had eyes for each other. Finally they got married, and had a little sweet Potato, which they called 'Yam.'
Of course, they wanted the best for Yam. When it was time, they told her about the Facts of Life. They warned her about going out and getting Half-baked, so she wouldn't get accidentally mashed, and get a bad name for herself like 'Hot Potato,' and end up with a bunch of Tater tots.
Yam said not to worry, no Spud would get her into the sack and make a rotten potato out of her! But on the other hand she wouldn't stay home and become a Couch Potato either. She would get plenty of exercise so as not to be skinny like her shoestring cousins.
When she went off to Europe, Mr. And Mrs. Potato told Yam to watch out for the hard-boiled guys from Ireland and the greasy guys from France called the French Fries. And when she went out West, to watch out for the Native Americans (to be p.c.), so she wouldn't get scalloped... Yam said she would stay on the straight and narrow and would not associate with those high class Yukon Golds, or the ones from the other side of the tracks who advertise their trade on all the trucks that say, 'Frito Lay.'
Mr. And Mrs. Potato sent Yam to Idaho P.U. (that's Potato University) so that when she graduated she'd really be in the Chips.
But in spite of all they did for her, one-day Yam came home and announced she was going to marry Tom Brokaw.
Tom Brokaw! Mr. And Mrs. Potato were very upset. They told Yam she couldn't possibly marry Tom Brokaw because he's just..... a COMMONTATER!

The Four Way Test

Of the things we think, say, and do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

The 7:10 Vision
