With the Peach Sale completed and only two days left before our amazing event, we need to get a hustle on and get the word out about our 6th Annual Craft Beer Fest. We need everyone's help to promote the Craft Beer Fest so we can drive people to our website to register for tickets. If we can get 300 people to attend, we will be well on our way to reaching the revenue goal set by our new Foundation Board this year.

A Guest Editorial

by Past-President Barbara Stratton

This heart-warming email came from Anna, a senior at Mountain Range High School:

Hello,

I am Anna Brady, one of the students you sent to RYLA. I want to thank you for sponsoring my trip. I had an amazing time at RYLA, that would not have been possible without your help. It was a once in a lifetime experience and I am very grateful for the time I spent there. Thank you so much again!

Sincerely, Anna

The value of RYLA and Young RYLA for our young campers, like Anna, goes far beyond the \$450.00 we spend to send them to camp for a week. This year, we were able to help 17 students from 9 Westminster schools have that "once in a lifetime experience" that Anna describes, including our RYLA Plus student, Zoe, from Pomona. The value grows exponentially when you realize that our 17 kids were a fraction of the incredible Rocky Mountain RYLA program that served over 645 kids this summer!

The value is also in the commitment of the members of Westminster 7:10 Club to do the hands-on work that makes our Youth Services program so meaningful; the commitment to sponsor RYLA, provide Scholarships to Westminster seniors and support the several Interact Clubs we sponsor. It takes long hours and dedicated time to interview students and the reliability to stick with the organizational process that sustains these programs year after year.

The value is in our Westminster 7:10 members who have said "yes" when asked to help and who are stepping up to commit to our Youth Services Team. A big "thank you!" goes to **Blaine, Ryan, Eric, Mark W., John, Kevin, Cliff, Wayne, Kinoti, Roberta,** and more maybe you!

Why I'm A Rotarian

TO LOVE IS to devote oneself to serving or simply to serve. Love is worth nothing if we are not able to be useful to someone.

Indeed, for us Rotarians, **LOVE** and **SERVICE** are the two key words of our organization. The greatness of Rotary lies in the way it brings people closer and creates friendship among them. Rotary is both a factory that manufactures friendship and a service center which maintains and strengthens existing friendships and extends mutual understanding.

Our true role is to serve, and to promote ethical values. Without such values we are not worthy of respect, and the world is not a worthy place in which to spend one's life.

Michel O. Alexandre (Pediatrics). Director, Rotary International, 1968-1970. Member of the Rotary Club of Rouen, France.

What Paul Harris Wrote

"ROTARY INTERNATIONAL HAS been extremely fortunate in its selection of presidents. It would be impossible for the writer to over-express his appreciation to the movement; it would be impossible for him to over-estimate their loyalty, their devotion, the sacrificial spirit which they have so frequently made manifest.

He wishes that it might be permitted for him to write the stories of the various administrations, but to do so would be to write the history of the movement and would require several volumes.

The writer has no doubt that it will be accomplished in the course of time."

Paul P. Harris, "This Rotarian Age" 1935

Promote BeerFest!

The stage is set for our Sixth Craft Beer Fest. A favorite among attendees and brewers alike, we are moving to Ciancio's for greater convenience this year. Most of our 20+ brewers have already committed. Our presence at the Westy Brew Fest was overwhelmingly positive! We gave out over 250 of our glasses from last year and about 300 flyers. The excitement is already there, we just need you to promote the event. Tickets are now available at www.westminster710rotary.org

ONE FINAL THOUGHT...

Last week at our Peach Distribution a number of Rotarians worked very hard to check-in, organize and load peaches for our customers. As the festivities ended and the equipment was being stowed, Doug Hall managed to graphically capture the hard work a few Rotarians were doing to take down the Check-In tent. As you can see here, much more talk was taking place instead of the real work that had to be done. Thanks for the picture, Doug.

The Four Way Test
Of the things we think, say, and do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
