Our program this morning was a very informative presentation by Pell Fender about Growing Home. He gave us some meaningful insight about the organization. As stated in their mission statement Growing Home's mission is to guide children and their families on the path to a brighter future. We envision our community working together so that all children and their families have a place to call home, food on the table, and the opportunity to pursue their dreams.

Melissa, our Sgt. at Arms this week, made some sizable extractions from the few, but very energetic, Rotarians who attended the meeting. Don't forget, you can makeup missed meetings at any of the Rotary Clubs in our area. Get the app, **Rotary Club Locator**, for your smart phone. You will find clubs you can attend located all over the world.

Randy was extolled by **President Chris** who thanked him for being an important member of the 7:10 Rotary Club and who has shown us the Service Above Self motto. His prolific profile as the Family of Rotary Rotarian can be found on the front page of the Bemis award winning, Frameable, Ineluctable, **EarlyWord** newsletter which was profusely available on all of the tables in its elegant 11x17" format. It can also be found on the 7:10 web site at: www.westminster710rotary.org/newsletter.cfm.

Martin gave us a short Rotary Moment and told us about the recently released Rotary Annual report. There are some very interesting facts in this report. Please find the report and give it a read. He also told us that there three countries still with Polio.

Rich had a Thought for the Day.

We closed the meeting right on time with a rousing reading of The Four Way Test.

Yours in Rotary Service,
