

If You Missed the Meeting...

... on Wednesday, June 16, 2021, **President Oliver** promptly opened our Zoom online meeting at 7:10 a.m. **Doug**, our Family of Rotary Rotarian led us in the Pledge. **Kevin** presented a very meaningful inspiration. **President Oliver**, being on top of things, then jumped right in and asked members at each table to introduce their guests.

President's Announcements:

- **President Oliver** welcomed all who attended and logged in this morning.
- **President Oliver** reminded us about the next Club Board meeting this coming Friday online with Zoom. Let Loren know if you would like a link sent to you so you can attend.

Our program this morning was a highly informative presentation by Kent Rominger who gave us some insight about his experience as the commander of the first space flight to attach to the Space Station.

Lori, our Sgt. at Arms this week, made some sizable extractions from the few, but very energetic, Rotarians who attended the meeting. Don't forget, you can makeup missed meetings at any of the Rotary Clubs in our area. Get the app, **Rotary Club Locator**, for your smart phone. You will find clubs you can attend located all over the world.

Doug was extolled by **President Oliver** who thanked him for being an important, long distance, member of the 7:10 Rotary Club and who has shown us the Service Above Self motto. His prolific profile as the Family of Rotary Rotarian can be found on the front page of the Bemis award winning, Frameable, Ineluctable, *EarlyWord* newsletter which can be found on the 7:10 web site at: www.westminster710rotary.org/newsletter.cfm.

Brian gave us a short Rotary Moment about all the Rotary Fellowships available to members.

Rich had a [Thought for the Day](#).

We closed the meeting right on time with a rousing rendition of The Four Way Test.

Yours in Rotary Service,

Loren, 7:10 Missed the Meeting Editor
