Our program this morning was a very informative presentation by **Joshua Knight** and Chuck Baker from the Boulder Rotary Club about his work with the Cameroon Bankim Water project.

Doug, our Sgt. at Arms this week, made some sizable extractions from the few, but very energetic, Rotarians who attended the meeting. Don't forget, you can makeup missed meetings at any of the Rotary Clubs in our area. Get the app, **Rotary Club Locator**, for your smart phone. You will find clubs you can attend located all over the world.

Matt was extolled by **President Kevin** who thanked him for being an important member of the 7:10 Rotary Club and who has shown us the Service Above Self motto. His prolific profile as the Family of Rotary Rotarian can be found on the front page of the Bemis award winning, Frameable, Ineluctable, **EarlyWord** newsletter which was profusely available on all of the tables in its elegant 11x17" format. It can also be found on the 7:10 web site at: www.westminster710rotary.org/newsletter.cfm.

Martin gave us a short Rotary Moment about Rotary International Peace Scholarship. We need to find a recipient we can sponsor.

Rich had a video Thought for the Day.

We closed the meeting right on time with a rousing reading of The Four Way Test.

Yours in Rotary Service,
